

ICL Leadership Intensive Nomination Form

We are thrilled to announce the beginning of the recruitment season for the **26th Leadership Intensive class – now called the ICL Leadership Intensive** – and we would love your input! Please help us in identifying community members who you think would benefit from the 8-month, 14-day *Leadership Intensive* training program.

As you think about prospective class members, please consider critical issues facing Maine region that would benefit from collaborative leadership. If you are able, identify different individuals working on these issues. We also are interested in recruiting for diversity including work/life experiences, issue expertise, sector, gender, age, ethnicity, race, national origin, sexual orientation, and disability.

Below is the Nomination Form. Once we have received your nomination(s) we will contact your nominee(s) to let them know you have nominated them and to encourage them to apply. We hope you will do the same!

Please make sure to fill out as much information as possible as this is incredibly helpful during the recruitment process. Your referrals are very important to us—thank you in advance.

Please complete, scan and return this form to icl@mdf.org
