Employees enjoying networking and breakfast at Employee Appreciation Day !

***We have done it for 3 years, and it is a winner!!  
Sponsor already lined up for 2014!***

Coffee and Breakfast Bites to thank and appreciate all downtown employees. We ask all downtown businesses to share information about their business and to encourage collaborations. We want to raise the awareness of all businesses in town! Each Employee is given a "goodie bag" full of information rack cards, etc. Some bags have extra discounts, samples, and items given by merchants!
