Telling Our Maine Story

Great things are happening all over Maine, but not everyone knows this story. It is an exciting tale that we need to share with each other and the world. It is our “Maine Story.”

Come to Bangor to hear incredible stories about creativity, resilience, and accomplishment across our state. This year’s MDF annual meeting is about telling and celebrating our Maine Story. We will hear from people taking action across the state, harnessing their passion, overcoming challenges and ultimately triumphing as they help to forge a thriving future we can all enjoy. Join us.
